

The **Blue Moose** welcomes guests with pets!

Please let us know in advance that you plan to bring your pets!

- Most pets weighing less than 80 pounds are welcome. Please no Lions, tigers, large game or livestock. If your dog is over 80 lbs, please let us know what breed they are, and temperament they have.
- Proper medical certification specifying that all vaccinations are up to date must be available upon request. Rabies, Distemper Parvo etc.
- A non-refundable fee will be charged to the guest's account upon check-in of 25 dollars per pet.
- Pets must be friendly, housebroken and free of fleas.
- Pets, if well behaved may be left unattended inside the cabin for up to 2 hours (you go to dinner, store etc...). However, if you leave the premises for longer than that, the pet must be in a crate or pet carrier while you are gone and not left for more than 5 hours. Pets may not run loose in the yard without someone supervising. There are many Deer and various types of wildlife that we want to come back. Pets are not allowed to run free off the property.
- Pets must be on a controllable leash at all times when outside the property boundaries.
- Tethering of unattended pets is not allowed.

Should damage to the cabin, grounds or furnishing (including linens) or flea infestation occur; the Guest is responsible for said charges up to and beyond the refundable pet security deposit of 50 dollars (refundable with no problems). These charges include the time involved by Blue Moose Management or their contractors in correcting, cleaning up after, fumigation, replacement, repair of said damages to the cabin.

Bring bedding, crates, bowls and equipment essential for you pet's safety! **Do not leave pet food outside. Bears like pet food.** When outside be sure that your pet is within your control and not running free as there are other people at their cabins along the lake. Dogs may pick up a trail of a wild animal, follow that trail and get lost. Be sure your pet has its collar and tags on just in case.

Because the fiberglass bathtub is easily scratched, pets must NOT be bathed in the bathtubs.

Guests are responsible for any damages to the cabin and its contents. The cabin will be inspected for such damages immediately after checkout. If extensive cleaning or damage repair is necessary beyond the normal deep cleaning process, the guest may be charged additional fees. Please pick up your pets poo and bag and throw in garbage.

Guests are responsible for picking up after their pet in and around the cabin at all times.

Noise/Disruptive Complaints - barking and noise that is disruptive to neighbors is not acceptable for prolonged periods. We realize dogs talk too. Try to comfort and calm your pet. Remember that they are in a new place and will follow your lead. If you are calm and address the situation, they will respond. Upon receipt of two (2) noise or disruptive complaints, the guest may be asked to make alternate arrangements for their pet. Bring extra treats to keep them amused! Tell us about your pets likes and we can include a surprise in our welcome basket for them!

In the event of an animal bite or attack on another tenant or pet, the pet owner is solely responsible for any costs arising from the incident.

As for the pet fee of 25 dollars per week, **animals used to assist the disabled are excluded from this charge.**

Be careful with your pet in a boat and around the lake. Pets are our family, and we want to keep them as safe as we can! We hope you and your Pet will enjoy your vacation at the Blue Moose!
